

Fayetteville Parks and Recreation Fayetteville Race Series 2015-2016

The **Fayetteville Race Series** is a new program of Parks & Recreation. The series is comprised of six annual events that vary between running, cycling, and multisport activities. Each event is different and offers something for everyone! By offering the race series, Parks & Recreation hopes to enhance the already active culture of the Northwest Arkansas area while also reaching out to new audiences. The race series will begin as a grassroots effort that we hope continues to grow into a premier race series for the state of Arkansas.
